

Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

Matthew 5:16

## WHERE WE'RE GOING

Why should we find a permanent location?

### Point 1: For the other six days

- A tangible presence in the community
- Increased ability to support our nonprofit partnerships
- Reach more people with the Gospel
- Ability to host community events on our own grounds

### Point 2: For God and each other

- Free up our volunteers from set up/tear down to invest in God's work in other ways
- A home for our Youth Group that is more central
- A location of our own for CityLight Kids events
- Classes after church and during the week
- Small Group support
- Worship Nights

# HOW DO WE GET THERE?

- Goal of raising \$500K in a little over 2 years
- Prayer for a location that does all we hope it does
- “All in” commitment to be part of building something special together

## What happens if we don't?

- We won't be ready if a building presents itself
- We will reach less people for Jesus
- We will never see how far “the other six days” can go
- We will burn out our volunteers
- We could miss a chance to be a part of building something special together
- We won't reach our full potential

## Next Steps

- Will you join us in praying for God to lead us faithfully into this next season?
- Will you join us in dreaming about creative ways we could use a building to serve our community?
- Will you prayerfully ask for God's guidance on how you can invest deeply in the future ministry of this church - not just financially, but with your gifts, talents, prayer and time as well?
