

## **Why are we doing this?**

As part of Mission 5:16 we want to make sure prayer is front and center. We thought it would be fun and meaningful if we prayed at spots that have meant something to us as a church in the past, or currently mean something to us.

At each location the idea is to (1) thank God for how he has been faithful to us at that location, (2) pray for God's blessing for that location currently, (3) pray for God to provide us with a new location where our church can thrive and minister to the community. There will be prizes at the end of the month for anyone who prays at every location!

As a sidenote, we aren't asking you to go into the location. We don't want to be a nuisance or even really engage with anyone. Our idea is that we can just pray from our car! It's your choice if you park there and pray or do a drive-by! Let's have fun with this and see God's handiwork through prayer!
